- ✓ settlement services (on web)

We acknowledge and thank the Musqueam, Stz'uminus, Kwantlen, Stó:lō, Tsawwassen, and Coast Salish First Peoples, on whose traditional, unceded, and stolen territories we live, work, and play. Acknowledging that we are on the traditional territories of Indigenous communities is an expression of cultural humility, and involves recognizing our duty and desire to support the provision of culturally safe care to First Nations, Inuit, and Métis people.

RICHMOND JOBS for Nurse Practitioners

The Richmond Primary Care Community welcomes you to explore abundant work and lifestyle opportunities.

A range of contract opportunities, valuable practice supports, and a fantastic place to live are just some of the reasons nurse practitioners are saying yes to Richmond.

New jobs posted regularly

The Richmond Division of Family Practice manages job postings for family practices throughout Richmond. Opportunities change regularly; let us know what you are looking for, we are here to help. **Important:** Please refrain from contacting clinics directly about job opportunities. The Richmond Division of Family Practice will guide you.

Not ready to make a commitment?

Most Richmond clinics also offer locum positions, allowing you to explore various working environments before deciding on a permanent job. Contact us for details.

Instructions

- 1 Review details about current jobs on **PAGE 2**.
- 2 Contact the Richmond Division of Family Practice Recruitment Team by emailing recruitment@rdfp.ca to discuss work opportunities and how we can support you in your practice journey. Include details about yourself and the HMBC job numbers that interest you.
- 3 Find information about current jobs, ways we can support you, essential information, and life in Richmond at richmondhealthcarejobs.ca.

What's so special about CLINICS IN RICHMOND?

Wonderful places to spend your workdays.

The place we work impacts so many aspects of our lives. To make the right decision, it's important to ask the right questions.

- ✓ Will I have colleagues who support each other?
- ✓ Do the staff work well together?
- ✓ Do I like the feeling when I step into the clinic?
- ✓ Has office design and technology kept up with modern times?
- ✓ Is it easy for me to get there?

➤ Say **YES** to these questions and more, here in Richmond.

JOIN US

Collegial group practices

Supported by strong MOA and office staff teams

Modern clinic spaces

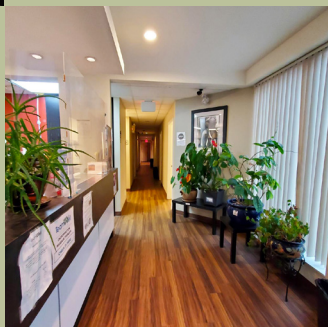

Enhanced with technologies and EMR software

Integrated with their local Primary Care Network

After-hours care system in place

Collaboration with local practice supports

Easily accessible via public transit and highways
