

PHYSICIAN RECRUITMENT SEASON IS NOW OPEN

Welcome a family physician through PRA-BC into your clinic

Family physicians who have successfully completed the Practice Ready Assessment-British Columbia (PRA-BC) program will launch their practices in **FALL 2025**. Recruitment season for these physicians to join your clinic is now open.

The Richmond Division manages clinic–physician matching for PRA-BC. **Register your clinic's interest by scanning the relevant QR code below.** A member of the RDFP Recruitment Team will contact you to begin the process.

REGISTER BY JUNE 28th at QR CODE BELOW

- ✓ The PRA-BC program assesses **family physicians trained internationally** who have completed family medicine residencies outside of Canada
- ✓ Among other requirements, PRA-BC family physicians have operated their own family practices abroad for a minimum of two years before coming to Canada

Host Clinic Check-Up

Clinics that are successful at attracting and retaining family physicians offer the qualities that family physicians are looking for to establish their lives and careers in Richmond:

- ✓ **modern atmosphere**
- ✓ **team-based care**
- ✓ **updated technology**
- ✓ **collegial environment**
- ✓ **supportive administrative team**

Register your clinic's interest today, or email us to access our knowledgeable Recruitment Team and essential resources.
